NOTICE AND RELEASE SCHOOL COVID-19

Child's Name: _____

City of Faith Christian School in its enrollment and re-enrollment policy is hereby providing notice to me/us that it currently intends to open its educational and school program for the 2021 – 2022 school year.

I/we understand that **City of Faith Christian School** cannot protect my child/student and/or me from risks which may be encountered as a result of my child attending **this school**. I/we realize there are natural, mechanical, and environmental conditions and hazards which independently or in combination with any activities engaged in while participating in this program may result in the exposure to certain risks including exposure to coronavirus (COVID-19), or other biological agents, virus or similar bacteriological agents, and the risk of being quarantined, or illness that may result in medical care, hospitalization, or death.

- Students are not allowed to come to school if they have a temperature of 99.0°F or higher. Please do not administer medication to reduce your child's temperature before coming to school
- Students will be sent home if they have a fever or are exhibiting symptoms of illness (examples: consistent cough, runny nose, diarrhea, and/or vomiting)
- Students will not be allowed to have over-the-counter cough drops or medicine at school unless prescribed by a doctor and administered by parent.
- Sick children will be isolated in a contained area
- Parents must pick up a sick child as soon as possible to limit exposure.
- Staff will also be following strict policies to ensure the health and safety of those in the building.

In the event that a student or staff member test positive for COVID:

- Parents or staff members are required to immediately contact the school to inform administration upon a diagnosis of COVID.
- Based upon factors including the recommendations from the local health department, the student's last attendance at school, and/or interaction with other students or staff, the administration will make a decision on how best to proceed. This may include transitioning to an online platform for a minimum of two weeks, during which time a thorough sanitization would take place. The administration will determine how best to continue after the two weeks of online learning is completed if there are more confirmed cases.
